**Dive Into History! Spiegel Grove Exhibit on display through Labor Day**

**ISLAMORADA, April 17, 2017** – The History of Diving Museum cordially invites you to visit our new exhibit honoring the USS Spiegel Grove! Celebrate the 15th anniversary of its sinking and becoming a world known artificial reef.

For a limited time, artifacts will be on display that highlight those who served on this great ship, missions it participated in, the efforts preparing her for sinking and the environmental impact she's had on the area. See the 4th Name Plaque of Lifetime Medallion holders in addition to the special Bridge Plaque before they are installed on the ship. Individual and Keepsake Commemorative Medallion sets are available in the Museum Store. Help support this exhibit and get your medallions today!

You can also take part in special events. Join us May 17<sup>th</sup> and 18<sup>th</sup> for presentations, Spiegel dives and celebrations. Witness the installation of the plaques and participate in [Fish Surveys](#). For more information visit: [History of Diving Museum](#), [Upper Keys Artificial Reef Foundation](#) and [Key Largo Chamber](#).

The History of Diving Museum is a 501(c)(3) non-profit organization dedicated to "*The Story of Man's Quest to Explore Under the Sea*". Help support educational outreach by becoming an event sponsor or Museum Member today.
